

## Our Mission

*The SERV Foundation raises funds to provide innovative programs for individuals in the SERV Behavioral Health System's Family of Companies who struggle with debilitating mental illnesses or intellectual/developmental disabilities.*

*By creating partnerships with individuals and organizations, The Foundation develops awareness in the community and provides financial support for exceptional programs benefiting our consumers, their families and the community at large.*

## Fundraisers

► The annual **Volley For SERV** Tennis Tournament draws players from New Jersey and Pennsylvania for a full day of tennis competitions, followed by an evening reception with awards, a silent auction and the Super Cash Raffle drawing.

► Each year, The SERV Foundation has two cash raffles.

The **Super Cash Raffle** is a \$50 ticket (or 3 for \$100) that is drawn in June at the Volley For SERV Tennis Tournament. Of the total amount raised, 40% goes to the first-prize winner and 10% to the second-prize winner.

The second is the **Scholarship Fund Cash Raffle** for \$10, drawn in the fall. Winners receive 25%, 15% and 10% of amount raised.

*The SERV Foundation has three major commitments, all of which are not funded by the state:*

## Scholarship Fund

► SERV's adult consumers recovering from mental illness or coping with disabilities are eligible for aid from the **Scholarship Fund** to continue their educational goals. Applicants who turn to the Foundation have exhausted all other sources of funding. Since the program's inception in 2004, 95% of scholarship recipients successfully completed their intended courses.

Using tools he bought with funds from the **SERV Foundation**, Wayne gives a haircut to fellow **SERV** consumer, Carlos, at the Serenity House in Mercer County.

## Wellness & Development Conference

► The SERV Foundation's annual **Wellness & Development Conference** is a health-and-wellness event for our consumers with mental illness and/or intellectual/developmental disabilities, and their family members.

More than 400 individuals attend this daylong event comprising informative workshops, panel discussions, networking for families and a motivational keynote speaker.

## SERV Properties & Management

► The SERV Foundation provides funding to make major repairs to any one of the 68 supervised group homes **SERV Properties & Management** operates in ten New Jersey counties: Burlington, Hudson, Hunterdon, Mercer, Middlesex, Monmouth, Ocean, Passaic, Somerset and Union.

**SERV** is the managing partner in **Ujima Village**, a 52-unit apartment complex in Ewing for low- and moderate-income seniors and adults with disabilities.
